apple number order sequence cards

Print the apple number order cards, cut them apart and laminate for durability.

Place them in your math center for the children to put in the correct number order! You may want to print more than one so children can work on them together.

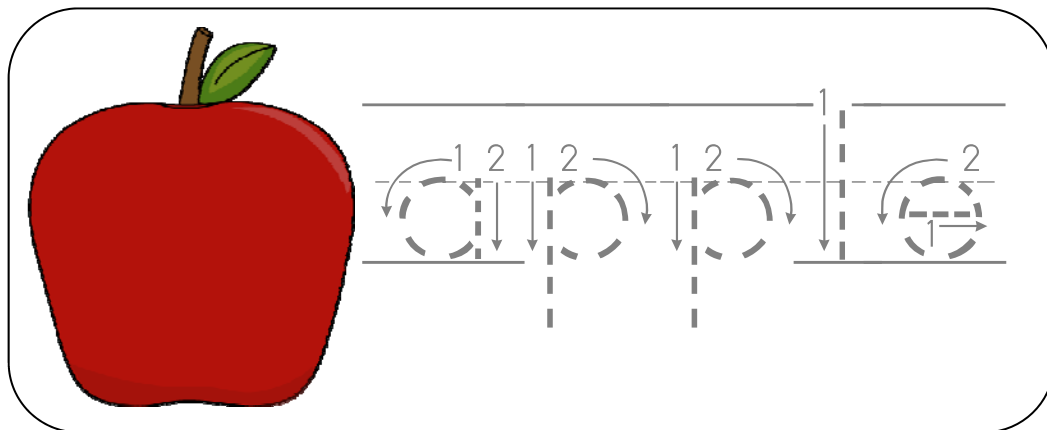

**see it say it
spell it write it**

Print the see it, say it, spell it, write it cards. Cut them out and place them in your writing center. Laminate them and provide the children with dry erase markers or crayons for practicing writing. Blank cards are provided for older children to copy the words. (See last page of see it, say it, spell it, write it cards.)
